HOW SMS IS USED

OPT-IN & CONSENT

Both recipients have provided direct personal consent to receive these messages. No third-party opt-in process is used. Recipients may opt out at any time by replying STOP to any message.

INFORMATION COLLECTED

Smith. Logged data includes message content, sender phone number, and timestamp. This data is used solely to personalize future workout plans and is never shared, sold, or used for any commercial purpose.

DATA SHARING

No personal data is shared with any third party for marketing, advertising, or commercial purposes. Message delivery is facilitated through Twilio ([twilio.com](https://www.twilio.com)) and Zapier (zapier.com) under their respective terms of service and privacy policies.

DATA RETENTION

Message logs are retained indefinitely for personal wellness tracking purposes and may be deleted by the operator at any time upon request.
